For those of you who read the
Indiana Raghorn Outdoor News, on page 24 of the Sept. 2010 issue it does
show a photo of a 78 pound flathead catfish taken from the White river.
That's less than two pounds shy of the state record.

I didn't see the photo on their website, and I couldn't post it here
due to copyrights, so you'll need to find a hard copy to see the photo.

It's one big fish !!

Griffy Lake has closed to all boat traffic due to low water conditions

Water activities abound at Hoosier Outdoor Experience, Sept. 18-19

Water activities at the free Hoosier Outdoor Experience, Sept. 18-19, at Fort Harrison State Park in Indianapolis will run the gamut.

Those interested in kayak and canoe paddling, operating remote-controlled boats, learning about stream biology and enjoying the aquatic wildlife trailer display will get a chance to enjoy each-and much more-free, each day from 9 a.m. to 6 p.m.

Participants will be able to choose from two canoe/kayak experiences. Floats down Fall Creek and Delaware Lake will be offered.

"The Delaware Lake experience will be designed for those who have never been in a kayak or canoe," said Amanda Wuestefeld, coordinator of the aquatics area. "The participants will be able to experience the boats on the flat, still water of Delaware Lake to help learn the basics."

More adventurous types can tackle a 1.3-mile float trip down Fall Creek. Experts from the Hoosier Canoe Club will assist.

During last year's inaugural Hoosier Outdoor Experience, 13,300 children and adults got hands-on opportunities to try more than 50 outdoor activities. Now it's your turn, 11 days from today.

Activities will be organized in five other areas besides aquatics, including cultural, equestrian, outdoors, shooting sports and wildlife. Shuttles will transport participants.

Parking, admission, activities, demonstrations and seminars at the Hoosier Outdoor Experience are free to the public, but online registration is requested to assist with planning/staffing of activities. To register, go to hoosieroutdoorexperience.IN.gov and click on the orange registration icon. Watch there for event updates or on Facebook at [Facebook.com/HoosierOutdoorExperience](https://www.facebook.com/HoosierOutdoorExperience).

The Hoosier Outdoor Experience is presented by the DNR and the Indiana Natural Resources Foundation. The goal is to introduce people to outdoor activities they may have never tried.

If you already enjoy outdoor sports and recreation and want to help others learn to enjoy them as much as you do, sign up to volunteer at <http://www.in.gov/dnr/5412.htm> or call 317/233-1002.

I ndiana Bingo halls,

bingo, Indiana racing tracks, Indiana racing, racing, Indiana dirt tracks,
Indiana oval tracks, I do not recommend the Indiana Fishin website. For some
reason they cannot even spell "fishing" correctly., I do not
recommend fishing at Indy Lakes pay lake in Indianapolis, I have no purpose to
recommend the Hoosier Angler Magazine.
